Terms and Conditions

1. Terms and Conditions for Accessing Research Reports on NetTrader

1.1 HSBC Broking Securities (Asia) Limited ("HCBO" or "we") is a corporation licensed by the Securities and Futures Commission of Hong Kong to carry on business in, among other things, issuing research reports and analyses on securities. Research reports are made available by HCBO in the conduct of Hong Kong Type 4 regulated activities under the Securities and Futures Ordinance (Cap. 571).

1.2 Making available research reports, by itself, is not and shall not be construed as an offer, solicitation, recommendation or advice to sell, purchase or subscribe for any investment or product, or subscribe for or to participate in any services. HCBO is not soliciting, recommending or advising any action based on research reports without further communications with customers. Research reports do not take into account customers' specific circumstances including but not limited to their financial situation, investment experience and investment objectives, and are not intended to form the basis of any investment decision.

1.3 The information, data, reports, views, ratings and/or opinions contained in the research report (including views/ratings on "buy", "hold", "reduce"/"sell" and/or the "target price") are for general reference purpose only. You should carefully read the definitions of the views, ratings and/or expressions of opinion used in the research report. You should carefully read research reports in their entirety and not rely on the contents from the ratings because research reports contain more complete information concerning the analysts' views and the basis for the ratings. Persons accessing such information, data, reports, views and/or opinions should obtain appropriate professional investment advice when necessary.

Yes, I agree to the Terms and Conditions.

No, I do not agree to the Terms and Conditions.

4. Company Reports – Option 1: Searching through industry sector (step 1)

There are two options to locate a specific Company Report

The screenshot displays the HSBC Research Reports interface. At the top left is the HSBC logo. Navigation tabs include MyNetTrader, Securities, and Research Reports. A red box highlights the Research Reports tab. Below the navigation is a breadcrumb trail: "You are here: > Research Reports". On the right, there are links for "繁體 | 简体", "PRINT", and "You are logged on LOG OFF". A left sidebar contains "Research Reports", "Company Reports", "Sector Reports", and "FAQ". The main content area features a "Hong Kong" dropdown menu, a "Please select the company to" input field, and a "Please Select Company" dropdown menu. A red callout box with the text "1. Please select the relevant industry sector from the pull-down menu" points to a dropdown menu that is open, listing various industry sectors. The "All Sectors" option is highlighted in blue.
