Additional Information

- **BLR** means the **Bank's Best Lending Rate** which is the Hong Kong dollar Best Lending Rate quoted by us from time to time.
- **1-month HIBOR (H)** as at any date means the Hong Kong Interbank Offered Rate (rounded to the nearest 4 decimal places) for the interest period of 1 month for Hong Kong Dollars quoted by the Bank at or about 11:00 a.m. (Hong Kong time) on such date. This HIBOR quoted by the Bank is not necessarily the same as HKD Interest Settlement Rates published by The Hong Kong Association of Banks.
- **HIBID** means the Hong Kong Interbank Bid Rate quoted by us for the prepayment date for interbank deposit for the remaining number of days in the relevant interest period.
- **Mortgage Rate** (in relation to an interest period of a HIBOR mortgage plan) means the lower of
 - (i) the actual interest rate based on HIBOR as determined in accordance with the offer letter as at the relevant rate-fixing date for such interest period; or
 - (ii) the actual interest rate based on BLR as determined in accordance with the offer letter on the relevant rate-fixing date for such interest period.
- **Relevant Rate** means the mortgage rate fixed for the relevant interest period.
- Please also refer to the **fees and charges** as set out in the "Bank tariff guide for HSBC Wealth and Personal Banking Customers" (available at any of the Bank's branches and www.hsbc.com.hk) as amended from time to time.
- **Exchange Rate Warning**
If at any time your mortgage is in a currency that is different from the currency in which you are paid or from which you repay your mortgage, then there is a risk that changes in the exchange rate will affect the amount you owe and the amount of your interest and principal payments. If this applies to you, you should regularly check the exchange rate to ensure that you are still comfortable with the amount you owe and with the amount of interest and principal you pay. If you are not comfortable then you may want to consider reducing the amount of your mortgage, re-financing the mortgage or repaying it early. You should consider speaking with an independent financial adviser before making changes to your mortgage arrangements.
- Prior to making a mortgage arrangement, you should take account of any foreseeable future changes to your financial circumstances (such as retirement occurring before the end of the loan term). You should only borrow if you have the financial means to cope with potential risk that may arise from changes in the economic and market conditions as well as changes in your circumstances. Please consult your independent financial adviser for advice.
