

Samuel: Many parents ask, if they want to send their children to study abroad to broaden their horizons, is there a less expensive way to do it?

Other than choosing the right destination, knowing how to lower the cost is important too.

It's the same with stock trading.

Be well-prepared and know how to lower the costs, then you'll maximise your returns.

As an HSBC Premier customer, join the loyalty stock trading programme HSBC Top Trader Club.

The more you trade, the lower the brokerage fee.

You'll get special time deposit rates as well.

Low brokerage fees and high interest rates mean greater returns.

With the HSBC Easy Invest App, I can manage and trade stocks easily through my mobile, so I don't miss any investment opportunities.
